Forecast for Saturday 28 Jan 2023

Weather: Some light patchy rain overnight and early morning, clearing away by mid-morning to leave a dry day for the vast majority, with only a few light isolated showers appearing. Best of the bright and sunny spells expected either side of noon.

Chance of cloud-free hill tops above 700m: 20% at dawn becoming 70% from mid-morning

Low cloud and visibility: Generally good or very good but moderate or poor in early rain and any later showers, very poor within cloud with bases extensive down to 600m at dawn, otherwise infrequently so.
